GENERAL INSTRUCTIONS AND REQUIREMENTS

1. Funds are limited and will be reserved on a first-come, first-served basis to projects that meet the Programs' requirements. No payments will be made for any energy-efficient upgrades installed without prior written approval from program staff. No projects will be accepted after drywall has been installed in enrolled units.
2. Review the appropriate Participant Handbook and Terms & Conditions.
3. Complete one form per project. Incentive payments are available only to owners named on this Incentive Application unless the program staff allows the submission of a Payment Release Form. Please ask program staff for details.

APPLICANT AGREEMENT

I, the undersigned, agree that:

1. I have read and understand and agree to abide to the programs' rules, requirements and terms and conditions set forth in this Application and in the respective Handbooks.
2. The information that I have supplied on this Application is true, correct and complete.
3. This project is not receiving duplicate funding from multiple utility sponsored energy efficiency programs for the same measures and associated fuels.
4. I agree to permit the Utility to discuss all aspects of this project with my Energy Consultant and/or HERS Rater.
5. I understand that this application is valid for 36 months from date of utility acceptance.
